We have been busy "remodeling" the Lincoln State PDCA website (www.lincolnpdca.com) to make it more consumer- and member-friendly. We are looking for before and after photos of jobs our members have done! Please email those to Bill Schneeberger at snowmtn@sbcglobal.net. Limit photos to your top one or two jobs. Photos will be placed in a "Gallery" area and will be rotated to other parts of the website. You must give us permission to use

Join us for a review by representatives of 3M of the equipment that is available and what to use when. There will also be a presentation on brushes-what new technology is on the horizon and which brushes can be used with what products and situations.
